

1 - Organic Essence

"Guided tour of the winery, including a visit to the vineyards where we explain our organic cultivation techniques. The tour continues to the cellar, where we delve into our natural and organic winemaking methods. The experience concludes with a tasting of three basic wines from our stainless steel line and one from our Barrique line."

35€

2 - Pure Vines Experience

"Explore our winery through a guided tour that includes a visit to the vineyards where we discuss our organic cultivation methods, a tour of the cellar with insights into our natural winemaking processes, followed by a tasting of three organic wines and two natural wines."

45€

3 - Taste the Tradition Tour

"Enjoy a guided tour of our winery, starting with a visit to the vineyards where we discuss our organic cultivation techniques. Continue to the cellar for an explanation of our organic winemaking methods. The tour concludes with a tasting of all the company's products alongside typical local fare including cheeses, salami, country bread, olive oil, and olives."

50€
